Joan Davis "Gets Her Man" As Hollywood Comes Thru

A picture which promises to be one of the funniest to come out of Hollywood in a long time is "She Gets Her Man" starring Joan Davis, Leon Errol and William Gargan, opening Thursday at the State theatre.

A human story of what goes on in other people's lives is pictured in the movie "Roughly Speaking" showing at the Ohio theatre. Rosalind Russell plays the role of Louise Randall Pierson who always walked with her head in the clouds, and even tho she fell on her face under no circumstances would she stay there.

Good times aren't completely passed as can well be seen from the effect a certain movie has been leaving on a few Limaites. "Bowery Champs" starring the East Side kids, currently showing at the Quilna theatre, casts a spell over everyone who sees it. Funny thing about the spell—it keeps audiences literally in stitches.

"Dangerous Passage" now playing at the Sigma theatre is the story of a young man's battle against heavy odds to claim an inheritance left by his grandfather. The action thriller is fraught with suspense, mystery and intrigue and keeps audience interest at a high pitch every second of the way.

Russell Hayden will once more ride and shoot his way across the screen of the Lyric theatre in "Wyoming Hurricane" opening Thursday. Alma Carroll, the gallopin' glamour girl, Dub Taylor and Bob Wills and his Texas Playboys are the other featured players in this newest of westerns.

LAZY BEES A PROBLEM

SYDNEY, Australia —(AP)— There are all sorts of angles to gardening in the tropics. The Australian army planned to make itself self-sufficient in vegetables in the northern territory, but the native bees were found to be so lazy that crop pollination failed. So they imported bees from the south.

The U. S. Coast Guard fleet now numbers more than 5,000 vessels and is the fifth largest fleet in the world.
