Sigma Continues 'The Clock,' Story Of Swift Army Romance

Theatre-goers who have not had the chance to see "The Clock" with Judy Garland and Robert Walker will be happy to know that the film will be held over for a few more days at the Sigma theatre.

Filmed with New York City as a background, the picture tells the story of a shy soldier with only 48 hours leave and how he made a friend, fell in love with her and married her all within that time.

Imagine, if you can, Ida Lupino playing the role of a traveling saleswoman, slightly knocked out and ready for a night of sleep in a comfortable auto court motel. Now add to this picture a motel regulation which forbids the use of the motel to anyone but married couples. Such is the situation in "Pillow to Post" currently playing at the Ohio theatre.

Laurel and Hardy are back again in another of their hilarious pictures. This time they have the roles of matadors in the new film "The Bullfighters" now showing at the Quilna theatre. Both almost find themselves sitting on top of the bull rather than fighting it. 'Eve Knew Her Apples' is the co feature.

"It's A Pleasure" with Sonja Henie and Michael O'Shea will close Wednesday night when the outstanding picture of the year, 'For Whom the Bell Tolls" with Gary Cooper and Ingrid Bergman moves in Thursday to replace it at the State theatre.

The sweetheart of the nation is brought to the screen of the Lyric theatre in "Meet Miss Bobby Socks" with Bob Crosby and Lynn Merrick. Coming to the screen Wednesday will be "Under Western Skies" and "Singing Sheriff."

HAPPY ENDING

HOUSTON, Tex.—(UP) — On sight of her newly-born infant, "Little Caesar's" mother kicked up her heels in disgust and abandoned him. 'Little Caesar," probably the smallest Shetland mule in the world, was soon adopted by another mare and doesn't seem to miss his own mother a bit.

The ancient Greeks knew when amber was rubbed vigorously it acquired the power to attract bits of straw, leaves or feathers.

WONDER WHAT'S NEXT?

FT. WAYNE, Ind — (UP) — Electric power was cut off by two very different interruptions the same day. First a squirrel crawled up to an overhead insulator and short-circuited a 13,000-volt main line in the downtown area. Then a bolt of lightning set an oil circuit-breaker on fire and caused a residential blackout.

TOO PEACEFUL FOR MARSHAL

ELBERFELD, Ind. — (UP) — This town's behavior is so good that no one will take the job of marshal. The last person to resign was Victor Withrow, who said that in his 28 months of service there wasn't any need to arrest anyone, so he didn't want to keep that job any more.

Junior Miss Plays Hob With Baseball Star On Air Drama

The baseball season opens, but only after Judy has thrown two strikes at the team in the comedy-drama "A Date With Judy," Tuesday at 8:30 p. m. over Station WEAF. Judy comes close to ruining the season by luring the star of the team toward more intellectual matters, but with typical luck everything ends well. Louise Erickson stars as Judy with Dix Davis as her brother Randolph.

Actor Myron McCormick, recent star on Broadway in 'Soldier's Wife' develops a frightful case of nerves when he appears behind the creaking door as guest ghoul in 'Dead Man's Holiday,' a shudder provoking 'Inner Sanctum' mystery to be aired over WABC on Tuesday at 9 p. m.

Screen Star Robert Montgomery lieutenant commander USNR (inactive) takes the lead in a story about a medical officer hero of the sea on 'The Doctor Fights' program, Tuesday at 9:30 p. m. over Station WABC. The subject of the thrilling drama is Capt. H. H. Kessler who distinguished himself in the Pacific theatre of war.

The number of cotton-spinning mills in the United States has declined by 179 establishments, or 1.1 per cent, in the last 10 years, from 1,046 mills in 1935 to 867 mills in 1944.

Robin's Nest Will Be Moved By Trainmen

CHICAGO, June 19—(UP) — The two blue robins eggs that have been commuting 71 miles daily between suburban Barrington and Chicago on the undercarriage of a railroad coach may end their travels today.

R. L. Williams, nature-loving president of the Chicago and North Western Railway has promised that trainmen will perform the delicate operation of moving eggs and nest today.

The nestful of eggs will be transported to a permanent testing place on a free branch. The Mrs. Robin, who has tried to rail road into motherhood, properly can incubate her brood.

Where the father is no one knows. Railroadmen laughed, however, and said he probably was riding the rods somewhere. Those eggs, they concluded, probably are a chip off the old "flock."
